

I understand that Shari Wenger is not a veterinarian, that the treatment/therapy given is not to be considered as veterinary medical treatment, and the comments, suggestions or recommendations proffered are not to be considered as veterinary medical advice. Massage, touch therapy and other holistic modalities are not a substitute for veterinary medical care, but rather a cooperative form of treatment.

I certify that my animal _____ has received regular veterinary care
(Pet's name)
and vaccinations, as needed.

I give consent to have this treatment/ therapy for my pet _____
(Signature)
